EDUCATION

Bachelor of Science in Computer Engineering Wright State University Dayton, OH Minor in German	December 2026 GPA: 3.84
Combined B.S./M.S. (4+1) Program in Computer Engineering Wright State University Dayton, OH	December 2027

SKILLS

Programming Languages: Java, Python, C, GoLang, HTML, JS/TS, MATLAB
Relevant Technologies: Java Swing, Scripting, Restful APIs, Typst, Embedded Boards, Ollama, MariaDB, SQL, TOML
Development Tools: VSCode, Zed, git, JetBrains IDEs, Bruno, Docker, make, ArduinoIDE, Oracle VirtualBox

PROJECTS

Karto <i>Angular, Spring Boot, MariaDB, MySQL, HTTP C.R.U.D. Requests</i>	August 2025 - December 2025 gh.com/cs4900-karto
- Developed a full-stack vehicle management web application using Angular and Spring Boot for tracking vehicles, maintenance history, and trusted gas stations - Designed and implemented RESTful CRUD APIs backed by MySQL/MariaDB, including database schema design and secure, account-scoped authentication	
LLM Benchmark <i>Java, Ollama, RESTful APIs</i>	July 2025 - Present gh.com/bencher
Building a Java-based benchmarking framework to evaluate Ollama-sourced LLMs on linear algebra solving performance using the Wolfram Alpha API	
Translation Library <i>Python, TOML, Pydantic, Typer CLI</i>	June 2025 - Present gh.com/tl-python
- Developing a cross-language TOML-based translation library Python package for managing multilingual content - Standardizing internationalization workflows to improve consistency between developers and translators	

EXPERIENCE

Computer Science Teaching Assistant <i>Wright State University On-Campus Employment</i>	August 2024 - Present <i>Fairborn, OH</i>
- Led weekly lecture sections for an average 50 student class size, facilitating engaging discussions and academic support through office hours and personalized communication - Collaborated with faculty and a team of TAs to coordinate grading logistics, address student concerns, and ensure consistency across course delivery - Helped drive high student satisfaction ratings and strong course evaluation feedback by leading team coordination efforts and maintaining clear, timely communication with students	

EXTRACURRICULAR ACTIVITIES

<i>Vice President, Tau Beta Pi Engineering Honor Society</i>	October 2024 - Present
<i>Treasurer, IEEE Wright State University Student Chapter</i>	August 2023 - Present
<i>University Scholar, Wright State Honors Program</i>	December 2022 - Present
<i>Participant & Winner, Make-IT-Wright Hackathon</i>	January 2025, February 2026
<i>Participant, ACM Annual Fall Programming Contest</i>	October 2023, October 2024

ACHIEVEMENTS

College of Computer Science & Engineering Dean's List	August 2023 - Present
Wright State Honors Program Competitive Scholarship	June 2023
